D.R.I.

Police drive by, I hold my breath I've got 10 warrants for my arrest They stop at the light and whip it around Ten minutes later I'm headed downtown Free Ride

Busted... stepped out of line
Busted... no place to hide
Busted... couldn't pay my fines

It makes no sense to live this way But I'm gonna do it anyway

Busted... for being me
Busted... for being free
Busted... can't pay my bail
Busted... I'll die in jail

It makes no sense to live this way
But I'm gonna do it anyway
