

# Call Me

D:Ream

The story must be told of how I made you old  
You were so naïve  
I took advantage of the fact  
When you and I got rude I felt misunderstood  
Then you kicked me out like I'm so kind of reject

I want you more  
I need you more  
You say no, no, no, no, no, no, no, no, no, no, no  
I will be there when you reach out for me

You can call me  
Call me any time you please  
Call me, call me and I'll be waiting for you  
Call me, call me  
I can't live without you

An ordinary man  
My needs got out of hand  
So cheating now on you is just the least that I can do  
So soon I was to find  
The one to blow my mind  
They're really good with me and I will love and leave you now

I want you more  
I need you more  
You say no, no, no, no, no, no, no, no, no, no, no  
I will be there when you reach out for me

You can call me  
Call me any time you please  
Call me, call me and I'll be waiting for you  
Call me, call me  
I can't live without you  
Oh, and you can  
Call me any time you please  
Call me, call me and I'll be waiting for you  
Call me, call me  
I can't live without you

(I'm waiting for you, I'm waiting for you)  
(I'm waiting for you, I'm waiting for you)  
(I've been waiting for you, I'm waiting for you)  
If you say  
No, no, no, no, no, no, no, no, no, no, no  
I will be there when you reach out for me

You can call me  
Call me any time you please  
Call me, call me and I'll be waiting for you  
Call me, call me  
I can't live without you  
You know, you know  
You can call me  
Call me any time you please  
Call me, call me and I'll be waiting for you  
Call me, call me

I can't live without you

(I'm waiting for you, I'm waiting for you)  
(I'm waiting for you, I'm waiting for you)  
Any time you please  
(I've been waiting for you, I'm waiting for you)  
(I'm waiting for you, I'm waiting for you)  
Any time you please  
You can call me  
Any time you please  
(Call me, call me)  
Any time you please  
You can call me  
Any time you please  
(Call me, call me)  
Anytime you please  
(Call me, call me)  
Anytime you please  
(Call me, call me)  
Anytime you please
