

Famous For Nothing

D:Ream

Famous for nothing
But you're looking good
Famous for nothing
You're just misunderstood
They can say the lights are on
They say nobody's home
But they don't know you
Quite like I do

You're famous for nothing
But you got the face
Famous for nothing
You're all over the place
You're so influential
A darling of the scene
You are so hot
You've caused a roadblock

Fluffy, lovey-dovey
Air kiss, dainty things
Schmoozy, boozy
Floozies gossip in the wings
When the party is over
All the pompous and bombast
And who is the last one standing?
Who knew it wouldn't last?

You're famous for nothing
Now, your name opens doors
Famous for nothing
You got your brand in all the stores
They say you're grifting for the nectar
But you are no honey bee
They don't see you like I see you

Well, your famous for nothing
You're a hedonist's wet dream
Famous for nothing
You're the cat that's got the cream
Well, it can be confusing
Darling, who is using who?
If they knew you
Quite like I do
They'd know

Fluffy, lovey-dovey
Air kiss, dainty things
Schmoozy, boozy
Floozies gossip in the wings
And when your party is over
A broken mirrorball
Who is the last one standing?
To catch you as you fall?

Fluffy, lovey-dovey
Air kiss, dainty things
Schmoozy, boozy

Floozies waiting in the wings
And now the party is over
And you're so yesterday
Well, you know I'll be there for you?
You know we'll be okay?
