

# Pedestal

D:Ream

Please tell me how, please tell me how  
It's come to this again?  
Tell me it ain't so  
I gotta know, I gotta know  
Are we on again?  
Maybe? I don't know

What answer leaves you racked in doubt  
Can't figure you, can't work it out  
I'm wondering, "What the hell it all means"?

I put you up on a pedestal  
You were the dream I could believe but you just kept on deceiving me  
Well I held you above me  
You just looked down on me

Tell it to the child, like you tell a child  
You're not making sense  
Tell me, I must know  
Give him a name. Give, give him a name  
Just say his name  
Tell me. I got a right to know

Come share another ecstasy  
We'll make love so tenderly  
We'll make love 'til our bodies ache

I put you up on a pedestal  
You were the dream I could believe but you just kept on deceiving me  
I put you way up on a pedestal  
I worshipped the ground you walked upon  
But you just kept walking over me  
Well I held you above me  
You just looked down on me

My head, my hands ain't got no feeling  
In my head, my hands, you just don't mean it  
In my head, my hands I can't believe it  
I just can't

I put you up on a pedestal  
You were the dream I could believe but you just kept on deceiving me  
I put you way up on a pedestal  
I worshipped the ground you walked upon  
But you just kept walking over me  
Well I held you above me  
You just looked down on me
