

Shoot Me With Your Love

D:Ream

Shoot me
Shoot me with your love
Shoot me in the heart
Shoot me
Yeah, yeah, yeah, hey yeah, yeah, yeah

Catch me if you can I'm going down
Catch me just before I hit the ground
You've looks to kill a lonely boy gone wrong
You're the guilty party with the style and the gun
Mark me in your sights and fire at me
A victim of your hit and runaway
Been a captive and a prisoner since the start
So shoot me with your love baby straight through my heart

Come on and shoot me
Just shoot me with your love
Shoot me in the heart
Shoot me
Yeah, yeah, yeah, hey yeah, yeah, yeah

I wanna disappear and leave some space
And grow my hair and paint my face
I don't wanna suffocate and live this life
Cause life without you baby would cut like a knife
I need a bit of loving every day
I need some of your loving anyway
I need to feel your arms around my head
I need to feel your body right here in my bed

Come on and shoot me
Shoot me with your love
Shoot me in the heart, yeah
Shoot me
Yeah, yeah, yeah, hey yeah, yeah, yeah
Come on and shoot me
Shoot me with your love
Shoot me in the heart
Bang, now I'm dead
Shoot me
Nah, nah, nah, yeah, yeah, yeah

Feels like we're falling to the floor (oh, oh, oh, yeah)
Feels like we're calling out for more (oh, oh)
It feels like we're dying you and me (oh, oh, oh, yeah)
It feels like we're dying to be free (oh, oh)

Shoot me, yeah
Shoot me
Yeah, yeah, yeah, hey yeah, yeah, yeah

Catch me if you can I'm going down
Catch me if you can I'm gonna drown
I need to feel the earth, earth beneath my feet
I need to feel your body between my sheets

Come on and shoot me in the head

Shoot me in the heart
Kill me with your love
Bang, now I'm dead
Shoot me with your love
Kill me with your style
Shoot me in the heart
Sing it

Nah, nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah, nah, nah (shoot me)
Come on and nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah, nah, nah (shoot me)

Come on and shoot me with your love
Shoot me in the heart
Kill me with your style
Straight through my heart
Come on and shoot me with your love
Shoot me in the head
Straight through my head
Bang, now I'm dead
Shoot me with your love
Shoot me in the head
Kill me, kill me
Seduce me with your love
Then kill me with your style
Straight through my heart
Bang, now I'm dead
