

Things Can Only Get Better

D:Ream

You can walk my path
You can wear my shoes
Learn to talk like me
And be an angel too

But maybe
You ain't never gonna feel this way
You ain't never gonna know me
But I know you
I'm singing it now

Things can only get better
Can only get better
If we see it through
That means me and I mean you too
So teach me now that
Things can only get better
Can only get, they only get
Take it on from here
You know I know that
Things can only get better

I sometimes lose myself in me
I lose track of time
And I can't see the wood for the trees
You set them alight
Burning bridges as you've gone
I'm too weak to fight ya
I've got my personal hell to deal with
Then you say

Walk my path
Wear my shoes
Talk like that
I'll be an angel then

Things can only get better
Can only get better
Now I found you
(Things can only get, can only get)
Things can only get better
Can only get better
Now I found you
And you and you

You have shown me prejudice and greed
And you've shown me how
I must learn to deal with this disease
I look at things now
In a different light than I did before
And I've found the cause
And I think that you can be my cure
So teach me to

Walk your path
Wear your shoes
Talk like that

I'll be an angel and

Things can only get better
Can only get better
Now I found you
(Things can only get, can only get)
Things can only get better
Can only get better
Now I found you
(Things can only get, can only get
Things can only get, can only get
Things can only get
Things can only get, can only get)

Things can only get better
Can only get better
Now I found you
(Things can only get, can only get)
Things can only get better
Can only get better
Now I found you
