

Can't Get Enough

D Savage

Mmmmm twisted twisted twisted, yeah yeah

Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
You got me twisted

You got me twisted got me dreaming bout you
Dreaming bout you
You got me twisted got me seeing bout you
Seeing bout you
You got me twisted got me feeling bout you
Feeling bout you
Fuck all these feelings let's just talk about it
Let's talk about it
I'm Steady sipping I'm steady drinking
Sipping drinking
Fuck all the feelings
Fuck all the feelings
Fuck all your friends Fuck them hoes too
Fuck dem hoes too
Them niggas tweaking they some bad news
They bad news
Them niggas mad cause they lonely
They lonely
Ride around on my lonely
On my lonely
I get the cash with you only
Only
Yeah you my bae you my only
When we linked up it was all cool
We love and touch that was all cool
That was all cool
I think of you when I'm off boo

Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
You got me twisted

I'm only singing cause I'm in my feelings
I'm in my feelings
When I'm with you its like its nothing missing

Its nothing missing
Remember my life like it was you missing
It was you
Remember times like it was you missing
It was you
I love your smell when you in the kitchen
In the kitchen
Baking biscuits while I'm cooking chilli
While I'm cooking chilli
We just be chilling on some bae shit
On some bae shit
Taking Vaca's like is bae rich
Is bae rich
I never leave you I swear I won't
I swear I won't
Through all the doors you can see my faults
You can see my faults
I see yours though a glass door
A glass door
Because of you I feel more
Because of you
When I'm with you its like a seas soar
A seas soar
Go up and down cause I see more
I see more
When I'm with you its like a seas soar
A seas soar
Go up and down cause I feel more
I feel more

Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
Why can't I get enough, why your love just like a drug
Why can't I boy your love just like a drug
You got me twisted
