D Savage

What you gonna do when yo guap stop?  
If you getting money put yo Glock up  
Groupie bitch niggas wanna stalk us  
Now we on top you can't stop us  
It can't stop, I can't stop  
It can't stop, I won't stop

How you get like that? How you get like that?  
Counting up them stupid racks and pick up stupid pack  
Spend that shit then get it back, Drop off and get a rack  
Now I got my mind on track, Sake next that's a fact  
Too many old niggas, ancient niggas artifacts  
SUV stay tinted, Black, not in the front, the back  
Rollin up some dough, While Weej pouring up the act  
Now I got my mind on track, Sake next that's a fact  
Tell that bitch she gotta go, Tell that bitch to make it clap  
On the phone with her sister while I'm hitting it from the back  
Got damn that ass is fat, Had to give that ass a smack  
Now we in the fucking mansions we don't bool in the trap

What you gonna do when yo guap stop?  
If you getting money put yo Glock up  
Groupie bitch niggas wanna stalk us  
Now we on top you can't stop us  
It can't stop, I can't stop  
It can't stop, I won't stop  
It can't stop, It can't stop, I won't stop  
It can't stop, I won't stop

It's the inter intermission, Put my key in the ignition  
Watch me skrrt, On this bitch, Yo gang aim, Just to miss  
Double cup that's Styrofoam, In my zone, Dirty mix  
And your bitch on my dick, Because I was broke now I'm rich  
Why you hating, why you hating, Nigga this is celebration  
Sake world be on that gang shit, Got our own store on La Brea  
Tell the haters see you later, Busy trying to get this paper  
Tryna get this paper, Bitch, I'm tryna get that paper  
I need me a fast car, drift off like Nascar  
On the stage drunk as fuck, turning up like a rockstar  
Really the youngest nigga out here doing it, So far  
Really the youngest nigga out here doing it, So far

What you gonna do when yo guap stop?  
If you getting money put yo Glock up  
Groupie bitch niggas wanna stalk us  
Now we on top you can't stop us  
It can't stop, I can't stop  
It can't stop, I won't stop  
It can't stop, It can't stop, I won't stop  
It can't stop, I won't stop
