

Get Money (Interlude)

D Savage

(Mafia Musik)

(Ivory)

I'm gettin' money, I'm richer and richer
I'm gettin' money, get richer and richer
I'm gettin' money, get money, get money
I'm gettin' money, get richer and richer
I'm gettin'— Yeah

Huh, fuck it, I'm back on that shit
Bitches on bitches, I look like a pimp
Poppin' that shit 'cause I'm him
Shootin', I'm shootin', I shoot out the gym
Freak bitch wanna pull up to my pin
Pull out and nut, I'ma bust on her chin
They gotta free all my dogs in the pen
Too much money just keep comin' in

I'm gettin' money, I'm richer and richer
I'm gettin' money, get richer and richer
I'm gettin' money, get money, get money
I'm gettin' money, get richer and richer
I'm gettin'— Yeah
I'm gettin' money

I'm off an Addy, I'm up
I poured a four, now I'm stuck
Play with the gang and it's up
I want a brand new Maybach truck
Fuck nigga, try your luck
Two twin Glocks and I keep that tucked
Pull out and nut on her butt
Dickin' her down, I'm all in her guts
What?
