D Savage

Up next feelin' like a blessin'  
Lesbians they kissin'  
You fuck with Sake World, niggas bound to end up missin'  
Chase the money that's the mission  
Sittin' at home wishin'  
That I could buy my moms a car and no, it is not rented  
Two door gone spinnin', D Savage team winnin'  
And this is the beginnin', I'm purp Lake mixin'  
Baby bottle fuckin' sippin', you pussy niggas tippin'  
I'm kitchen chicken flippin', throw the neck and then I'm dippin'

Count the guap, this bitch gotta wait  
Fuckin' all these ho's, countin' comas, you can't relate  
Brainstorm, what's the next play?  
I had to cut off some my folks cause they was sniffin' too much ye  
I love to floss like a dentist, a menace like I'm Dennis  
Eleven niggas tried to get me but they couldn't finish  
SUV hopped up in it, XL and it's tinted  
Had to steal ain't have to flex, cause growing up I didn't get it

Drop off these stacks, uh yeah  
Drop off these caps, uh yeah  
Drop off the track, uh yeah  
Drop off the pack, uh yeah
