Want to smoke some boof, drop the top no roof
Niggas see me in the function, know I got that tool
I might cop a pint, depends on my mood

D Savage fuck it up, he like fuck the rules
Diamonds on the Jesus piece, hoe them be my jewels

Hoe them be my jewels
Don't play me like a fool
I can never load this purple blunt and pour a deuce
Homie talking down, well I'ma slide like what it do
Broke niggas be mad, I paid 100 on my shoes
I done fucked up, I fucked up on a check
I got these bitches mad, ice up on my neck
I don't want many things, but I'ma need respect
Don't be talking stupid, cause Cut throat on yo head
Flexed up on that bitch, now she spread them legs
Fucked her in the whip, she can't meet my bed
Sippin' on some wock, mixed it with the red
I got to lay low, cause I don't fuck with feds

I know she want to hang with me, she want to meet my crew
Want to smoke some boof, drop the top no roof
Niggas see me in the function, know I got that tool
I might cop a pint, depends on my mood
Rick on my bag, jordans be my shoes
D Savage fuck it up, he like fuck the rules
Diamonds on the Jesus piece, hoe them be my jewels

I was hanging on the block, robbing young jits
Suppressor on the 9, with the fucking mop stick
I'm tired of pussy niggas claiming that they bout it
But when I pull up on yo ass, you ain't bout shit
And that's how we roll
Pull up pistols popping like it's [?]
Dropping niggas easy like a free throw
Make his body flip, Desert Eagle
But I'm tired of the shit
But I'm a youngin' with the shit
I'm a youngin' with the shit
Pop on any nigga quick

I know she want to hang with me, she want to meet my crew
Want to smoke some boof, drop the top no roof
Niggas see me in the function, know I got that tool
I might cop a pint, depends on my mood
Rick on my bag, jordans be my shoes
D Savage fuck it up, he like fuck the rules

Diamonds on the Jesus piece, hoe them be my jewels
