

JOKER, Pt. 2

D Savage

Good evening, ladies and gentlemen
We are, tonight's entertainment
(Perfect!)
D fucking Savage

All of this money, don't know what to do
I bought some guns for my motherfuckin' crew
She for the squad, call her switcheroo
I get in that pussy and do what I do
I drop the top on that Off-White coupe
I spend a band on some motherfuckin' kicks
I spend a band on some motherfuckin' shoes
Fuckin' with mine, put him on the news
I'm in my prime and I can't lose
I pour out the pint 'til my body get loose
I play with that paper, my bitch do too
She suck on my dick like she missing a tooth
I'd rather be dead than fuckin' with you
When I'm out in Brompton, I be with Pirus
I jump in these streets and I'm breakin' the rules

Go get a stretcher, I'm leaving him flat
I'm hearing voices, I'm talkin' to Jack
Hit her one time, she keep calling back
If they outside, then we doubling back
Play with the gang and that chopper gon' clap
In the mafia, baby, I'm getting them wacked (Ah)
I wanna see that shit drop to the floor
She wanna fuck and then smoke on my dope
Baby, I'm done, it's your time to go
Fuck up that Wockhardt, I just poured a four
Niggas be groupies, you know how that go
I wanna get my dick sucked on a boat
I wanna get a two liter and pour
And I got Christian Dior on my coat
I got some Bloodys and I got some Locs
I know some BDs and I know some Folks

All of this money, don't know what to do
I bought some guns for my motherfuckin' crew
She for the squad, call her switcheroo
I get in that pussy and do what I do
I drop the top on that Off-White coupe
I spend a band on some motherfuckin' kicks
I spend a band on some motherfuckin' shoes
Fuckin' with mine, put him on the news
I'm in my prime and I can't lose
I pour out the pint 'til my body get loose
I play with that paper, my bitch do too
She suck on my dick like she missing a tooth
I'd rather be dead than fuckin' with you
When I'm out in Brompton, I be with Pirus
I jump in these streets and I'm breakin' the rules

Ah, ah
Ah, ah
Ah, ah

Ah, ah
Yeah, that's it
