

Kash Klay (RIP Ali)

D Savage

Sold a half, got to make a play
Like I got paid today
Bitch I ball, hater defense, Michael Jordan fade away
In the booth, knocking niggas out I think I'm Cassius Klay
Swear to God all these niggas hate, I swear these niggas fake
I just wanna make enough money to buy some real estate
Newest clothes
Goin' through rubies put diamonds in your face
In the booth, knocking niggas out I think I'm Cassius Klay
Swear to God all these niggas hate, I swear these niggas fake

I drop like 300 to keep on my waist
Keep talking stupid I'll shoot up the place
Rocks to rubies they up in yo face
They up in yo face
I don't trust these niggas, I don't trust a soul
Don't have no address, or area codes
I run to the block and pick up the load
Ya'll niggas is stains, ya'll gotta be clones
Leave me alone, don't leave me Vlong
Can't fuck no scrubs, your cover is blown
Big booty bitches I cannot ignore
Fuck all the opps, and free dior
2016 D Savage on tour
