

Keep On Trying

D Savage

(I'm shy, oh my god)
Woah
No-no-no
No-no-no
No-no-no
No-no-no

Sunny day, sunny night
High as planes, call my line
Never leave without that iron (Oh, oh)
Wanna be me, keep on trying (Oh, oh)
Keep it lowkey, I feel like I'm dying
I take one of yours, you take one of mine
I open up doors, y'all access denied
They just freed my dawg, I bought him a line
I'm rollin' a log, I'm 'bout to get high
When I hear our song, I look in the sky

Oh-oh (Sunny day, sunny night)
Oh-oh

Ridin' round in the coupe, ayy
Beat a nigga ass for some loose change
I been workin', give a damn what you say
With my slimes, know my slimes, and they came to play
Wit' my gang, wit' my gang, wit' my gang
Wit' my gang, wit' my gang, whoa-oh
Wit' my gang, wit' my gang, wit' my gang
Wit' my gang, wit' my gang, whoa-oh
Yeah, oh my goodness, yeah
Hit her from the front, I make her jump, go up like, "Yeah"
People stop and stare, uh
'Cause the chain I wear, uh
Nigga, don't you dare
Nigga, don't you dare, uh
Catch you ridin' in the Wraith, what's wrong?
(Catch you ridin' in the Wraith, what's wrong?)
Smoking on this strong
Where's my double cup?
Middle fingers up
We don't give a fuck (Oh-oh, oh-oh)

Sunny day, sunny night
Wanna be me, keep on trying (Oh, oh)
Feel like I'm dying
I take one of yours, you take one of mine
I open up doors, y'all access denied
They just freed my dawg, I bought him a line
I'm rollin' a log, I'm 'bout to get high
When I hear our song, I look in the sky

Oh-oh (Sunny day, sunny night)
Oh-oh
