

Knots

D Savage

I've been getting to these knots
While your rolex tick and tock
It don't make yo heart stop
Making cases out the trap
I'm a whip it till it lock
Junkie said we got the A1 so I keep this shit on lock
I just hopped up in the stu I'm a do what I do
I got snipers on the roof
I got bitches by the 2
I got thugs that's not no homies cause you pussy niggas fook
Put him in a noose
Knock him out his shoes

I'm so fresh I'm so clean
I got racks in my jeans
All my speakers guapanese
Still in my sauce copy me
Niggas to soft niggas ain't g
Watch what you say when you talking to me
Bitch I'm a dog I just gotta eat
You ain't my dog you fuck with police

I've been getting to these knots
While your rolex tick and tock
It don't make yo heart stop
Making cases out the trap

Money and the power
Gotta have respect
Bust down my chain
Bitch look at the neck
Bitch I'm up now
Nigga fuck next
I want the neck
I don't want the sex
Hop in the stu
And work on the best
I can't serve a thot
No S on my chest
Bitch I've been working
I can't get no rest

I've been getting to these knots
While your rolex tick and tock
It don't make yo heart stop
