D Savage

Aw, yeah

Aw

Yeah, yeah

Aw, yeah

Yeah, aw, yeah

Aye, smokin' on this dope, gettin' lazy (uh, aye)

Baby, I am lost, can you save me?

I know you miss the kid, miss the baby

Tell me, have you been thinkin' 'bout me lately?

Aye, smokin' on this dope, gettin' lazy (uh, aye)

Baby, I am lost, can you save me?

I know you miss the kid, miss the baby

Tell me, have you been thinkin' 'bout me lately?

I just want the commas, fuck the drama

I'm gon' spray with the K, Savage 'Sama (bow, bow)

They don't wanna run up, don't want no problems

Let them meet my .45, it'll solve 'em

I stay with the action, pistol packin'

I ain't never lackin' when I'm on the block

Gotta fuckin' dip 'cause the block too hot

Niggas love to snitch, 12 up in the spot

Aye, smokin' on this dope, gettin' lazy (uh, aye)

Baby, I am lost, can you save me?

I know you miss the kid, miss the baby

Tell me, have you- thinkin' 'bout me lately?

Tell me, have you been thinkin' 'bout me lately?

Tell me, have you been thinkin' 'bout me lately?

Tell me, have you been thinkin' 'bout me lately?

Tell me, have you been thinkin' 'bout me lately?

Aye, smokin' on this dope

Baby, I am- thinkin' 'bout me lately

I know you miss the kid, miss the baby

Tell me, have you been (woo), tell me, have you been (uh)

Tell me, have you- thinkin' 'bout me lately

Thinkin' 'bout me lately

They don't wanna run up- problems

Aw, yeah, aw
