Lock'd In

D Savage

"Schizophrenia was first identified more than a century ago"
Woah
Woah

I remember when I slept on the floor
I remember when I kicked in yo' door
Robbin' niggas if I ever go broke
I want that money and power, let's go

Walked in with a motherfuckin' roll
Hop out with that motherfuckin' (Woah)
Locked in, I'ma stick to the code (Code)
I'm chilling, she got a lil' mileage (Hey)
My Glocky a thottie, got bodies (Hey)
My chopper get freaky off molly (Hey)
Feel like Offset when I'm rocking my Cartis
I'm busy, I'm stacking this money
Bitch I've been trapping since night 'til it's sunny
'Member back then I was bummy
I was down bad, ain't nobody love me (Woah)

I won't play with you
I won't play with you
I won't play with you
I won't play with you

Out in Miami just smoking on Runtz on the beach with my feet in the sand
Trap nigga shit, I done smuggled a pint on the plane, I'ma pour when I land
I'm doin' shit they can't (Hey)
Eyes on myself, I can do it
I jumped off the plane and got straight to it
I landed in Florida, they love all my music
They loving my drip, my swag, my influence
They seeing my vision, they like what I'm doing
Too much ice in my cup, now it's ruined
Sipping Wockhardt, got my kidneys ruined
Bitch I'm from Cali' (Damn)
Got a bad bitch and she came from the valley
And I'm not her father but she call me daddy
I got some hoes waiting on the addy
But I remember when I used to, ayy

I remember when I slept on the floor
I remember when I kicked in yo' door
Robbin' niggas if I ever go broke
I want that money and power, let's go

Walked in with a motherfuckin' roll
Hop out with that motherfuckin' (Woah)
Locked in, I'ma stick to the code (Code)
I'm chilling, she got a lil' mileage (Hey)
My Glocky a thottie, got bodies (Hey)
My chopper get freaky off molly (Hey)
Feel like Offset when I'm rocking my Cartis
I'm busy, I'm stacking this money
Bitch I've been trapping since night 'til it's sunny
'Member back then I was bummy

I was down bad, ain't nobody love me (Woah)

I won't play with you
I won't play with you
I won't play with you
I won't play with you
