Don't give a fuck about a thot
Pay for the drop
Now I pour stupid wok (stupid wok)
I can't even rock with' these fu niggas
Make his body drop, I eat like food nigga
I'm gone be on top, acting rude nigga
To all the hoes back in school nigga
Look at me now
I'm Countin' this money
Way back then (aye)
You called me bummy

Give a fuck about a hater
330 man South La Brea
Boolin' in my mansion all my dinners fucking catered
I like to stack up all my guap
I like to stack up all my paper
(Aye uh uh hey)
I flex like I got paid today
I'm a ape but no Bathing Ape
Just copped a whole oz, my OG, steady pushing weight
John Cena you can't see, all this green, in your fucking face
Without my brothers I wouldn't be shit
They taught me more than just hitting licks
I'm stacking my guap bitch look at my kicks
I'm balling so hard they thought I was rich
But I post up in the hood
Fucking hoes just like I should
Niggas getting mad cause (I'm) doing shit they wish they could

Make a bitch walk
Don't give a fuck about a thot
Pay for the drop
Now I pour stupid wok (stupid wok)
I can't even rock with' these fu niggas
Make his body drop, I eat like food nigga
I'm gone be on top, acting rude nigga
To all the hoes back in school nigga
Look at me now
I'm Countin' this money
Way back then (aye)
You called me bummy

Countin' stupid guap

Thottie bad she give me top
If you sneak diss boy just don't get caught
(Aye aye)
And fuck the cops, and fuck the opps
You talk shit up on any block
(Damn)
I got to go the block too hot
Bitch niggas love to fucking flock
But it means nothing to me
I am just smoking the green
I'm in the stu but I brought my team
Price tags don't mean a thing
I just want to live that Cali dream

Make a bitch walk
Don't give a fuck about a thot
Pay for the drop
Now I pour stupid wok
I can't even rock with' these fu niggas
Make his body drop, I eat like food nigga
I'm gone be on top, acting rude nigga
To all the hoes back in school nigga
Look at me now
I'm Countin' this money
Way back then you called me bummy
