D Savage

Tryna to steal the sauce  
Niggas looking lost  
Bank account got bands  
Flexin like a boss  
2 cups moving slow  
In my section blowing dope  
To y'all look like gun show  
Smokin on that west coast  
Tryna to steal the sauce  
Niggas looking lost  
Bank account got bands  
Flexin like a boss  
2 cups moving slow  
In my section blowing dope  
To y'all look like gun show  
Smokin on that west coast

I pop me a perc I feel better  
I'm drippin to feel like a feather

Nigga don't get popped like a pill  
Speaking facts so you that's real

All of these hoes wanna fuck now  
I got a stick when I walk around  
Shoot up the show shut the shit down

Tryna to steal the sauce

I think I see 12 nigga let's go  
I bust down the bell serevin out the O  
I kick down your door with a draco  
I stick to the code I can never fold  
Look at these bands  
Look at my 9s  
I hit a line  
I get the guap

I'm grindin so hard I can't even stop  
I bought a new chain but I need a watch  
I want an AP that's flooded with rocks  
I do it with ease like dropping the top

Tryna to steal the sauce
