D Savage

I just wanna go on tour
I just wanna be in a force
I just got ass from a thot
But I still want some more
Can't stop sippin that lean
I just pulled a 4, got a new glock with a beam
Out to shoot they door, more, more, more, more
I want, more, more, more
I need, more, more, more
I want more, more, more

Float like a butterfly sting like a bee
Y'all niggas pussy don't want it with me
Do your research boi, I've been in the streets
I'm hungry I just wanna eat
Money blackout with a beat
Pick up the packet and leave
Chopper so big it can't fit in my jeans
Diamonds dancing crystal clear y'all smile from ear to ear
Diamonds shining chandelier
I'm sipping on lean
My diamonds frozen like burr
I'm hopping in that foreign skurr
I'm savage I do my own work, put a nigga on the dirt

I just wanna go on tour
I just wanna be in a force
I just got ass from a thot
But I still want some more
Can't stop sippin that lean
I just pulled a 4, got a new glock with a beam
Out to shoot they door, more, more, more, more
I want, more, more, more
I need, more, more, more
I want more, more, more

Got a new chopper and it's busting
I got a new bitch and she fucking
I'm geeking I'm pouring
I walk out here I'm sippin on tussin
You know that I got it it's on me right now
And I'm busting, and that's no discussion
I think I see 12 and I got it on me I can't go to jail
I'm in the trap I got the dope pass me the scale
I got racks and pounds send it through the mail
I bust up my chain cause I wanna skate
I'm faded as fuck I just poured an 8th
I feel like the goat nigga I'm great
And I got the racks bitch I'm straight
I fell in love with my double cup
Ain't enough work I need to double up
I hit the stu and I fuck it up
If niggas run up then my chopper go uhh
Get in that pussy she screaming like ooo
Turn into a demon when I'm off juice
Too many thots I can not choose
Beat up the pot and give it a bruise

I just wanna go on tour
I just wanna be in a force
I just got ass from a thot
But I still want some more
Can't stop sippin that lean
I just pulled a 4, got a new glock with a beam
Out to shoot they door, more, more, more, more
I want, more, more, more
I need, more, more, more
I want more, more, more
