

No Pass

D Savage

D. Savage, Mafia Musik

I don't think you niggas ever learned how to count right
'Cause you started off tryna count a nigga out
This shit bigger than life, I'm telling you

I said I put down that cup
But I'm still sippin' Wock'
I put a dick in my gun
Ooh, too fast, get shot
Check out my pockets for knots
All blue hundreds, got guap
How much money do you got?
I need a scale, it's a lot

I bought that coupe off the lot
Niggas beggin' for my spot
Got a bad bitch and she hot
She gon' pull up to my drop
Ayy, I'm on the block where it's hot
I'm in the kitchen with a pot
Heard that your partner got dropped
I bought a pint off that-
I bought a pint off that Wock'
Yeah, pour up a pint off that-
I'ma pour up a pint off that Actavis
In the trap and I'm flickin' my dirty wrist
I'ma jump on the jet with some cannabis
Got her cummin' she love when we fuck
I hit her two times that's a must
I got my dick sucked on a bus
(Swear to God, come on)

Ayy, Mack, should I?
Ayy, ayy, I can give no pass
Leave a fuck nigga ass toe-tagged
In the trap and I'm fucking it up
Running up, I'm running laps
I'ma pull up with that pump
Fuck nigga, get back

Said I put down that cup
But I'm still sippin' Wock'
I put a dick in my gun
Ooh, too fast, get shot
Check out my pockets for knots
All blue hundreds, got guap
How much money do you got?
I need a scale that's a lot

Ayy, Mack, should I?
Ayy, ayy, I can give no pass
Leave a fuck nigga ass toe-tagged
Running up, I'm running laps
I'ma pull up with that pump
