

Oh Honey

D Savage

Rollin' some dope, just rollin' some dope
Sippin' on tech while I'm puffing on smoke
Live for the cash, gotta get it real fast
Cops on my ass so I gotta do the dash
Top down when we ride away
Smoking loud, burning boof through the interstate
Seventeen when a lot of shit up on my plate
Won't stop til I know all my niggas fuckin' ate

When I get high, off of the drugs
Don't know what to do
I might tweak on you
Gone off the xans
Gone off the juice
Don't know what to do
I might tweak on you

Rollin' some dope, just rollin' some dope
Sippin' on tech while I'm puffing on smoke
Live for the cash, gotta get it real fast
Cops on my ass so I gotta do the dash
Top down when we ride away
Smoking loud, burning boof through the interstate
Seventeen when a lot of shit up on my plate
Won't stop til I know all my niggas fuckin' ate

All these niggas bitches
They just stick around and nigga just plot my riches
I don't give a fuck if they bitches is blowing kisses
They just blowing kisses, nigga they blowing kisses
Sittin' at home, thinking man I'm fucking wishing
I could sit back, sit and count my fucking riches
All these niggas on my dick because they want my riches
They can't get my riches, no they can't get my riches

Rollin' some dope, just rollin' some dope
Sippin' on tech while I'm puffing on smoke
Live for the cash, gotta get it real fast
Cops on my ass so I gotta do the dash
When we ride when we ride away
Smoking loud, burning boof through the interstate
Seventeen when a lot of shit up on my plate
Won't stop til I know all my niggas fuckin' ate
