D Savage

Why these bitch niggas steady hating?  
I been juggin', tryna get a million  
Drop the top bitch, ain't no ceiling  
Boolin' in LA with my gang and them  
Shootin' up the party causing mayhem  
Sliding with SD 2, and we bangin'  
I snuck in the club with my 40  
When I tote that 38, that's my shorty  
Bro these niggas fans, just recording  
Hit a [?], so important  
She wanna hit the gas, said I'm rolling  
Walk up to your trap just to shoot it up  
How you keep that 45 and that ruger tucked?  
Pass that shit to savage he gon' shoot it up  
Pull up to the telly with a bad bitch  
She said she never fucked with a savage

She wanna hit the gas, said I'm rolling  
I might crash the whip, crash the foreign  
[?] got me soaring  
There go the cops, I'ma do the dash  
If niggas tweakin' then I'm on they ass  
40 with a dick, nigga do the math  
I got in the club with my 40  
All these niggas lames and they bitches adore me

Snoring, all these niggas snoring  
Told my mama be right back and nigga going touring  
Savage man you next up and flexed up  
How you get so iced up, sliding in a Chrysler  
In a different city and I'm rolling  
How you smoke the dope, do your smoking  
If you pop this perc, yeah we floating  
There go the cops, I'ma do the dash  
If niggas tweakin' then we on they ass  
40 with a dick, nigga do the math  
I came in this bitch with a bankroll  
Bad hoe, do whatever say so

She wanna hit the gas, said I'm rolling  
I might crash the whip, crash the foreign  
[?] got me soaring  
There go the cops, I'ma do the dash  
If niggas tweakin' then I'm on they ass
