

Sin4TheWin

D Savage

Yeah, 647

I'm at K Suave mansion, [?]

If you follow me you gon' win, in that coupe nodding off again
I just told a bitch to bring her friends, in that AMG GLE Benz
Bitch I'm gon' skirt off on a whim, Imma sin if I gotta win
Back on that bullshit again, keep a machete it take off your li
mbs

Don't play with me not one of them
Don't play with me not one of them
Don't play with me not one of them
Don't play with me not one of them

Got a 'vette need it matte black, in the trenches I can never l
ack

Got the fans screaming I'm back, bought some percs 'bout to rel
apse

In Miami ballin' poppin' tags, I gave my Momma my MAC
Kick out my front and my backend, if I go to jail imma beat bai
l

In a big mansion wit' a hoe, and I stay geekin' droppin' 4's
And I'm quick to wipe a nigga nose, she gon' choose I jump out
that Rolls

Got 'em spooked skirt off in that Ghost, shooters like ready se
t go

Shout out the fans they love me the most, shout out the gang fo
r me tag a toe

Took me some time but I got it together, I spent two thousand o
n a sweater

Big boy diamonds I'm changing the weather, I keep a Glock and I
keep a Beretta

Shout out my baby gon' put them together, I done got better
And I got money, look at my neck bussin' that's a hunnid
Tell me who want it, I'm 'bout to slide

I been trappin' all day bitch I'm tired, I'm with the guys
Bitch I'm fried, when I heard Juice WRLD died I cried
Take one of mine, I'm outside

Everybody told me they loved me they lied, bitch I'm high
Not right now, bitch shut the block down bitch go live
Not my size, it's going down

All these niggas pussies suckin' dick, whip out the stick every
body hit

Shoulda been dead so I popped my shit, fifty thousand on my wri
st

If you talk down, [?]

If you follow me you gon' win, in that coupe nodding off again

I just told a bitch to bring her friends, in that AMG GLE Benz
Bitch I'm gon' skirt off on a whim, Imma sin if I gotta win
Back on that bullshit again, keep a machete it take off your li
mbs

Don't play with me not one of them
Don't play with me not one of them
Don't play with me not one of them
Don't play with me not one of them
