

# Fragile Heart

D-Side

Sometimes I wonder of what you're thinking  
Or you look so far away  
Trying so hard to show you our love is  
You keep pushing me away  
You're all I want  
You're all I need  
You're all I breathe  
Girl, I never make you hurt

I won't break you fragile heart  
I make this promise to you from the start  
Oh, baby I'm  
Never hurt you, I'll walk away no, no, no  
I won't break your fragile heart

You know we've both gotta defence  
Make our home of our hearts  
But let me banish them forever  
Forget your pain and it love please pot

You're the air that I breath  
The stars that I touch  
Yeah, you're all that I need  
And I will never ask for much

I want break your fragile heart  
I make this promise to you from the start

No I never  
I won't break your fragile heart
