

# Who Wants The World

D-Side

I just can't believe that when I saw you yesterday  
You still had that look in your eyes  
I just can't believe I let you go and slip away  
I guess I wanted more in my life

I've got everything now  
But it's all nothing somehow

Who wants the world if I can't have you to be my love?  
Who wants the world if I can't have you to see me through?

Only time can tell you that you've made a big mistake  
Now I can't let our time pass me by  
I was such a fool to think that I could walk away  
When all that really counts is you and I

I've lost everything now  
But you could bring it back to me somehow

Who wants the world if I can't have you to be my love?  
Who wants the world if I can't have you to see me through?

Now all that things that I thought mattered  
All the dreams I had lie shattered  
I would give the world away  
If I could hold in my arms again

Who wants the world if I can't have you to be my love?  
Who wants the world if I can't have you to see me through?

I wouldn't want the wourld, if I can't have you.
