

It's Ok

D Smoke

Zorro, turn that music down
Yeah-yeah, yeah
Yeah-yeah, yeah
Yeah-yeah, yeah
Yeah-yeah, yeah
It's alright, it's okay
It's alright, so good
I'ma need y'all help with this one
Yeah, it hurts, yeah, there's pain (Woo)
Yeah, we grow, 'cause there's rain (Yeah)
Yeah, we work (And we strain), and we strain (Just to cope)
Just to cope and maintain (But what)

But what about when we go out of our motherf*ckin' minds
'Cause we been lookin' for a long time
But we can't seem to find a silver linin' in our sufferin'
Made of iron but I see a little rust again
Made a promise to my momma a long time ago
That she wouldn't have to die sufferin'
Bought a nine and a gauge like a renegade
Then I gave a nine to the homie while he hustlin'
But the [?] birds stay in hibernation
In case a nigga wanna lose patience
I'm not a dumb nigga, keep a lil' somethin', nigga
Air a nigga out, I think he need some ventilation, nigga
But when it's all said and done
We face them fears and I'll never run
But place them tears and pour [?]
And even when life ain't fair

It's alright, it's okay
It's alright, it's okay
It's alright, it's okay
It's alright, it's okay

Uh, the Devil been busy
I hear voices, convolutin' solutions and clear choices
Seem a lil' blurry, my ears hear noises
My fuse gettin' shorter, that nigga Earl Boykins
How I'm supposed to run? My tank is on empty
Gotta recover strong like young Embiid
Why do we love the struggle on the fence
Between livin' our dreams and livin' alone simply?
Even the right decisions come with consequences

Look in the mirror, you see your competition
It's gettin' clearer, it's me, I got to fix 'em
Uh, it's me, my opposition
Ain't no solution to the algorithm
I run that shit like niggas out to get 'em
They can say what they want, I'll forgive 'em
Then tell 'em

It's alright, it's okay
It's alright, it's okay
It's alright, it's okay
It's alright, it's okay

It's alright (It's alright), it's okay (It's okay)
It's alright (It's alright), it's okay (It's okay)
It's alright (Ayy), it's okay (Woah)
It's alright (Hey), it's okay (Yeah, yeah)

Can't nothin' hold me down (Hey, yeah)
Can't nothin' stop me (Hey, yeah)
Can't nothin' stop me (Hey, yeah)
Can't nothin' stop me (Hey, let's get it)
Can't nothin' hold me down (Hey, yeah)
Can't nothin' stop me (Hey, yeah)
Can't nothin' stop me (Hey, yeah)
Can't nothin' stop me (Hey, yeah)

You could try mosquitoes (Can't nothin' hold me down, hey, yeah)
It don't matter what you do (Can't nothin' stop me, hey, yeah)
You can't run from the truth (Can't nothin' stop me, hey, yeah)
Super good, runnin' loose (Can't nothin' stop me, hey, yeah)
You could try what to use (Can't nothin' hold me down, hey, yeah)
It don't matter what you do (Can't nothin' stop me, hey, yeah)
You can't run from the truth (Can't nothin' stop me, hey, yeah)
Super good, runnin' loose (Can't nothin' stop me, hey, yeah)
It's alright (It's alright), it's okay (It's okay)
It's alright (It's alright), it's okay (It's okay)
It's alright (Hey), it's okay (Woo)
It's alright (Hey), it's okay (Hey, hey, yeah)
