

Sleepwalking

D Smoke

Sleepwalking

You've been sleepwalking

Shawty come, shawty come, shawty come, I can show you something

I think you've been sleepwalking

Me a no come here to waste your time

I just come here to change your life

Make you cum, make you [?] alright

No dey rush, make you take your time, ah

Girl, I need you to live your life

And I no mind if you miss your flight

[?] I go treat you right, oh

Sleepwalking, yeah

You've been sleepwalking

Shawty come, shawty come, shawty come, I can show you something

I think you've been sleepwalking, yeah

Ebelebe, yo, ebelebe

Again again, oh, again again

She no dey play, oh, she no dey play

She never been with a singer

Ebelebe, yo, ebelebe

Again again, oh, again again

She no dey play, oh, she no dey play

Tell me where you headed (where you headed?)

Your wondering could free you if you let it (yeah), mmh

To say that you can get it (yeah)

Is an understatement, I wanna lay with you

And engage in conversation, it's apparent (it's apparent)

We can travel, I ain't never been to Paris (ah)

See a foreign land, walk the sands

Hand-in-hand with a nigga, looking like you shot the sheriff, uh (whoa)

Spontaneous behavior

New inventions, evidence of what you're made of, uh

Rock your body like a cradle

You can get all that you need without a label, uh

Someone I need to see often (see often)

That place that my soul could get lost in (get lost in)

Now wake up to me, I'm your coffin, uh, 'cause you've been

Sleepwalking

You've been sleepwalking

Shawty come, shawty come, shawty come, I can show you something

I think you've been sleepwalking

Ebelebe, yo, ebelebe

Again again, oh, again again

She no dey play, oh, she no dey play

She never been with a singer

Ebelebe, yo, ebelebe

Again again, oh, again again

She no dey play, oh, she no dey play
