

[Bugz]

Fuck that!

Who run shit, watch these drums hit
You dove head first into some old dumb shit
Here's a can of ass whip, for you to come get
Your clique made their trip, I made them hoes submit
Ask your girl, she knows the scoop don't fuck with Bugz bitch
I'll chop off her titti, have you sucking one tit
Them pink belly *****s is who you run with
Making half ass songs, shitty snares and one kick
I hate your damn sound, don't like it one bit
You can make a double album, won't have one hit
Your entire outfit is on some bullshit
And there's not a damn one that I can't out wit
I admit, that my style is unfit
For mamma's baby boy because I'm on some dumb shit
Like I commit arsony, get harm quick
You pull the alarm switch, I'll stab you in your armpit
Now who the nitwit wanna come get with
This egotistic, hip-hop fundal mentalisitic
Don't risk it, you'll get your shit split
Now keep your distance, and keep existence
I'm the persistent when it comes to bench shit
I smoked a blunt with my judge before my sentence
I'm relentless to deny you're senseless
Yo bitch, pay my bill that's where the hell your rent went
Fuck that!
