Vodka mixed with Red Bull
Niggas admires and women smiling
Cause imma damn fool
Pills, I got a handful
Pop and get to socking bouncers (Come and let my mans through)
Or we going to trample all over you
We don't really care for the boys in blue
We do what the hell we want to do
Dirty Dozen, keep it thuggin'
Bustin' out ain't nothing new

There ain't no chasin' round feeling like a effen monster

Stay locked and loaded like Smith & Wesson is my sponsor
