

I want to buy my innocence  
Back from the gun that's at my head  
I'm not mad at you girl, I just had a bad day  
What could possibly go wrong? I'm as good as gone

I'm not the same kid I was in 2016  
I was young, I was dumb, now I overthink things  
That I should and I couldn't, you wouldn't believe  
What I did as a kid back in 2016

I hate birthdays, they mean nothing to me  
I don't celebrate, so don't buy anything  
For me, I don't deserve it, I'm bleeding out on purpose  
I see it makes you nervous, is it working?

I'm not the same kid I was in 2016  
I was young, I was dumb, now I overthink things  
That I should and I couldn't, you wouldn't believe  
What I did as a kid back in 2016

I didn't care what you said  
When I was a kid  
But you tried to ruin my life  
A thousand times, but now look at you

I'm not the same kid I was in 2016  
I was young, I was dumb, now I overthink things  
That I should and I couldn't, you wouldn't believe  
What I did as a kid back in 2016
