You were my company
But where did you go?
Cause now I'm alone
Talk to me, cause I wanna know
Why you don't wanna see me
It's been like 3 days since I took a --
Why did you leave me?
You said I got no love for you
But I love you deeply
Will you believe me?

For you to change is all I want
Your acting's changed, tell me what's wrong
Come back to me when you're alone
Another is really what you want
You've got an -- on your shoes
Please -- just tell me the truth
This -- to when it's true

Crazy how we used to be company
But where did you go?
Cause now I'm alone
Talk to me, cause I wanna know
Why you don't wanna see me
It's been like 3 days since I took a --
Why did you leave me?
You said I got no love for you
But I love you deeply
Can you believe me?
