

## Here With Me

d4vd

Watch the sun rise along the coast  
As we're both getting old  
I can't describe what I'm feeling  
And all I know is we're going home  
So please don't let me go  
Don't let me go

And if it's right, I don't care  
How long it takes  
As long as I'm with you  
I've got a smile on my face  
Save your tears  
It'll be okay  
All I know  
Is you're here with me

Oh-woah-woah-woah-woah

Watch the sun rise  
As we're getting old  
Oh-oh  
I can't describe, oh, oh  
I wish  
I could live through every memory again  
Just one more time before we float off in the wind  
And all the time we spent  
Waiting for the light to take us in  
Have been the greatest moments of my life

I don't care  
How long it takes  
As long as I'm with you  
I've got a smile on my face  
Save your tears  
It'll be okay  
You're here with me

Oh-woah-woah-woah-woah  
I can't describe, oh, oh
