

## I'd Rather Pretend

d4vd

Love

Guess you found a way to get through  
Got so used to feeling nothing at all  
For so long  
No, now all I wanna do is love you  
But my head is holding up my heart, my heart

And I've seen all the signs (seen all the signs)  
What if they're all lies?  
Will it even matter what you say? (say)  
Can you make these feelings go away?

Tell me, is this real to you?  
'Cause I can feel my heart again  
You're so tempting but I'm scared so I'd rather pretend  
That I don't love you like I do  
'Cause I don't wanna hurt again  
I wanna love you but I'm scared so I'd rather pretend  
I'd rather pretend  
I'd rather pretend, oh-oh, oh-oh

You can tell me anything, you can tell me  
Still I'd give you everything  
Why'd you let me put you on a pedestal and put you high on top?  
I gave it all for you to fall let me be honest, I know  
I know we both let go  
You fake your love, I still want more  
It doesn't even matter what I say  
I'll never make these feelings go away

Tell me, is this real to you?  
'Cause I can feel my heart again  
You're so tempting, but I'm scared so I'd rather pretend  
That I don't love you like I do  
'Cause I don't wanna hurt again  
I wanna love you but I'm scared so I'd rather pretend  
I'd rather pretend  
I'd rather pretend, oh-oh, oh-oh

(Scared so, I'd rather pretend)  
(I'd rather pretend)  
(I'd rather pretend oh-oh, oh-oh)
