

# Is This Really Love?

d4vd

Is this really love?  
If you don't say the word anymore  
If I'm not enough  
Let me know when you find what you're looking for

I know it was fake to you  
But it was real to me  
Tried to stay the same for you  
But you changed on me

You said that you never meant to hurt me  
But, baby, I know this is how it goes  
And if there is a world where you're not leaving  
Then, darling, I need to know

Is this really love?  
Is this love?  
If you don't say the word anymore  
If I'm not enough  
Let me know when you find what you're looking for  
What you're looking for  
Is this really love?

You may have called my bluff, but you've been acting up  
Hating you ain't enough, I just want back my love  
You got somebody else to take my place  
You did it the wrong way after all I did for you

You said that you never meant to hurt me  
But, baby, I know this is how it goes  
And if there is a world where you're not leaving  
Then, darling, I need to know

Is this really love?  
Is this love?  
If you don't say the word anymore  
If I'm not enough  
Let me know when you find what you're looking for  
What you're looking for  
Is this really love?

Tell me, won't you tell me, won't you tell me what it is?  
Won't you tell me, won't you tell me, won't you tell me what it is?  
'Cause it ain't love, no, it ain't love  
Tell me, won't you tell me, won't you tell me what it is?  
Won't you tell me, won't you tell me, won't you tell me what it is?  
'Cause it ain't love, no, it ain't love
