

I'ts That Time Again

d4vd

Wait- what key is this
F-sharp minor?

It's that time again
The voices in my head, they won't go away
And I know what you said
But I don't think you cared about me anyway
And I'm so lost
You don't understand my pain, no
The feelings I had ain't the same no more
And I'm not forcing you to change, oh no
Where'd the time go?
It's been so long since I've been alone
Reminiscing all those days before
But we can't come back, I know
Back, I know

Oh, I'm so lost on you
We got too comfortable
So why don't you do what you came to do?
So don't be pretentious
I don't think you want to know my real intentions
You're the one that's holding me back from my blessings
I don't even think you learned your lesson
Your affection

It's that time again
The voices in my head, they won't go away
And I know what you said
But I don't think you cared about me anyway
And I'm so lost
You don't understand my pain, no
The feelings I had ain't the same no more
And I'm not forcing you to change, oh no
Where'd the time go?
It's been so long since I've been alone
Reminiscing all those days before
But we can't come back, I know
Back, I know
