

## Once More

d4vd

I love you  
Three words I don't say anymore  
Maybe because my heart is torn  
It's taped up and it's stapled  
I don't know if I'm able

To move on as I should  
I'm watching you leave again  
And it replays in my head  
A million times, and I can't take it  
My heart is breaking once more

Picking my mind up off the floor  
Will I put it back in my skull?  
No, not ever  
'Cause you said we were forever  
That's some fable

But I can't move on as I should  
I'm watching you leave again  
And it replays in my head  
A million times, and I can't take it  
My heart is breaking once more
