Mena got a choppa with a K
If I say I love you then it's only for the day
I don't want no trouble, [?]
If it ain't 'bout money then we gotta separate
Oh my God, oh my God
Shawty got the cake
Red dot, red dot
Choppa hit his face
[?] crazy, got me higher than a plane
I don't even know if Ima make it through the day

Mena got a choppa with a K, ay
Mena got a choppa with a K, ay
Made it out the mud
I done made it out the clay
If he run up on me then I make him pass away, ay

They not really steppin' to the gang
They not really steppin' to the gang
They not really steppin' to the gang, no
They not really steppin' to the gang, no
