

Wasting Your Time

d4vd

I just don't wanna bring no stress on you
Everything that I did, I did it for you
Baby, tell me lies
I need something to hold on to
And I know it ain't the truth
Cause we fell out of love again
Is it hate or adrenaline?
Came over when you had no plans

I just feel like I'm wasting your time again
Wasting your time again
Wasting your time again
Wasting your time again

I'm wasting, I'm wasting, I'm wasting
I'm wasting, I'm wasting, I'm wasting
I'm wasting, I'm wasting, I'm wasting
I'm wasting, I'm wasting, I'm wasting

I just don't wanna bring no stress on you
Everything that I did, I did it for you
Baby, tell me lies
I need something to hold on to

And I know it ain't, I know it ain't, I know it ain't the truth
I know it ain't, I know it ain't, I know it ain't the truth
I know it ain't, I know it ain't, I know it ain't the truth
I know it ain't, I know it ain't, I know it ain't the truth
Cause we fell out of love again
Cause we fell out of love again
Cause we fell out of love again
Cause we fell out of love again
