And there aint nothing I wont do for my Baby

And it makes me Say

Im in love with you
And there aint nothing nobody can say cuz you're the one for me Baby
When I wake up in the morning it's You
When I cant sleep at night it's You
When im tossin and turning its You
When my body yearnin it's You
Im in love like Maxwell
You see me cryin but I just cant help it
Myself esteem is even higher when im walking with you
You give me fire and desire
Like Tina Marie and Rick James do
I don't care burn up the minutes on the cell
Just turn up the music and feel its hard as hell
I get abusive with the flows on me
When I seduce em' they just wanna hold me
Cuz im so smooth and it's real not phony
With a nigga you will never be lonely
Its been official im hot
And since you is, lets do this
It seems I been shot by cupid
Am I gonna stop, think not that's stupid cuz . . .
ooooh

Im in love
Im in love with you
And there aint nothing I wont do for my Baby
you drive me Crazy
And it makes me Say
ooooh

Im in love
Im in love with you
And there aint nothing nobody can say cuz you're the one for me Baby
