

Leave Me Alone

Da Brat

[interlude]

[da brat]

Yo, don't be talkin' to me about no motherfuckin' problems.
Don't be talkin' to me about shit I don't wanna argue.
I don't wanna do shit, I just want a motherfuckin' smoke.
When I'm smokin don't fuck with me.
See what I'm sayin I don't need this shit.
