

# Can You Feel the Same Way Too

Da Buzz

I can't believe I'm in love again.  
I just can't understand myself.  
Can you feel the same way too?

(Can you feel it?)

(Can you feel it?)

Love is not easy,  
love is so strong.  
Don't ever tease me,  
don't do me wrong,  
'cause there are things in your mind you can't hide.  
Oh, no.  
And then I saw you  
and you said "hi".  
I cannot believe that you're so fine.  
Baby, just one more time, let me see your smile.  
Oh, I think I will die!

I can't believe that you're standing here.  
Can you feel it too?  
I wanna stay forever next to you.  
Can you feel the same way too?  
I can't believe I'm in love again.  
Can you feel it too?  
I just can't understand myself.  
Can you feel the same way too?

It's in the flowers,  
It's in your soul.  
What a beautiful life.  
I can not go.  
Oh, what a feeling  
when your so close.  
Oh, what a life I would have by your side.  
You're making me fly,  
making me high.  
Oh, what a game, a dangerous game I am playing.  
Oh, I think I will die.

I can't believe that you're standing here.  
Can you feel it too?  
I wanna stay forever next to you.  
Can you feel the same way too?  
I can't believe I'm in love again.  
Can you feel it too?  
I just can't understand myself.  
Can you feel the same way too?

(Can you feel it?)

(Can you feel it?)

Can you feel the same way too?

I see the sunshine in your face.  
Oh, what a glory you possess.

How can I show you I'm in love  
with you.  
Can you feel the same way too?

If you really want me too,  
say you will and say you do.  
Let me see the fire in your eye.

I can't believe that you're standing here.  
Can you feel it too?  
I wanna stay forever next to you.  
Can you feel the same way too?  
I can't believe I'm in love again.  
Can you feel it too?  
I just can't understand myself.  
Can you feel the same way too?

Can you feel the same way too?  
(You see that I do.)  
Can you feel the same way too?
