

# Don't Ever Say Goodbye

Da Buzz

I'm all alone, I'm trying to run from the emptiness  
inside of me  
You're so far away, it's so close to me ohh everywhere  
I see you blue  
Ohh you are the one that I wanna love

Don't ever say goodbye, don't let your love sail away  
Don't you ever say goodbye, if you do I will die  
so don't you ever say goodbye

Ohh I feel your hand, still touching me, it's like a  
fire in my soul  
And then I hear, your voice in my head, I leave the  
ground I'm standing on  
Ohh you are the one that I wanna love

Don't ever say goodbye, don't let your love sail away  
Don't you ever say goodbye, if you do I will die  
so don't you ever say goodbye

What have you done to me, I never thought this love  
could come to me  
I'll give you the world, everything  
I loose my mind if this would end

Don't ever say goodbye, don't let your love sail away  
Don't you ever say goodbye, if you do I will die  
Don't you ever say goodbye

So don't you ever say goodbye
