

Don't Ever Say Goodbye

Da Buzz

I'm all alone, I'm trying to run from the emptiness
inside of me
You're so far away, it's so close to me ohh everywhere
I see you blue
Ohh you are the one that I wanna love

Don't ever say goodbye, don't let your love sail away
Don't you ever say goodbye, if you do I will die
so don't you ever say goodbye

Ohh I feel your hand, still touching me, it's like a
fire in my soul
And then I hear, your voice in my head, I leave the
ground I'm standing on
Ohh you are the one that I wanna love

Don't ever say goodbye, don't let your love sail away
Don't you ever say goodbye, if you do I will die
so don't you ever say goodbye

What have you done to me, I never thought this love
could come to me
I'll give you the world, everything
I loose my mind if this would end

Don't ever say goodbye, don't let your love sail away
Don't you ever say goodbye, if you do I will die
Don't you ever say goodbye

So don't you ever say goodbye
