

# Give You All My Love

Da Buzz

I don't wanna go  
Cause I have a dream  
My love is on its way to reach you  
How much will it take to be mine  
Don't have time to think  
Don't need time to feel  
You know there is no way to lose me  
Better be real love

Every night and everyday  
I just wanted you to say  
That you love me  
And want to kiss me  
Every single word you said  
Every second, everyday  
I'll try to find my way through

I give you all my love.. ohoh  
And I'll make you feel alright.. ohoh  
I give you all my love.. ohoh  
And I'll make you feel alright.. ohoh

We turned out the light  
And went out of time  
I took you all the way to heaven  
Unforgettable love that we shared  
Oh, you are all I am thinking of  
Time has come to give us pleasure  
I wanna love you

Every night and everyday  
I just wanted you to say  
That you love me  
And want to kiss me  
Every single word you said  
Every second, everyday  
I'll try to find my way through

I give you all my love.. ohoh  
And I'll make you feel alright.. ohoh  
I give you all my love.. ohoh  
And I'll make you feel alright.. ohoh

You don't need to pray, you don't need to say  
A word about the thing you wanna do  
I'm coming back to you, just wanna make it true  
Gotta take you out on a ride, I give you all my love

I give you all my love (x3)

I give you all my love.. ohoh  
And I'll make you feel alright.. ohoh  
I give you all my love.. ohoh  
And I'll make you feel alright.. ohoh
