

# Here I Am

Da Buzz

Here I am  
I never think that you can't see  
Baby, I'll show you I'm real  
Just want you to know who I am  
I'll give you all that you want  
Listen to what you have inside you  
Tells you not to go on  
I'm waiting here, why can't you feel me

Here I am  
We can dance, through the night  
Here I am  
Once again, in the life  
You better believe it  
Here I am

In the dark, I know it's just you and me  
How can I make you go on  
Beyond the matters of time  
Oh baby, I'm falling apart  
Listen to what I have to tell you  
I'll take it back from the start  
All I want is you to see me

Here I am  
We can dance, through the night  
Here I am  
Once again, in the life  
You better believe it  
Here I am

Here I am, I never think that you can't see  
Baby, I'll show you I'm real  
Just want you to know who I am  
I'll give you all that you want  
Listen to what you have inside you  
Tells you not to go on  
I'm waiting here, why can't you feel me

Here I am  
We can dance, through the night  
Here I am  
Once again, in the life  
Here I am  
We can dance, through the night  
Here I am  
Once again, in the life  
You better believe it  
Here I am

Here I am
