

Set my heart on fire

Da Buzz

Take my hand .. I will make U understand
I'm in vain .. driving on a different lane
I never said the truth .. about the things I did
But I'm in love for shure .. All I want to have is you

Baby I am here to guide you ..
You set my heart on fire ..

Yes I know .. I wasn't really good enough
I went away .. Knowing you were not Ok
I never said the truth .. about the things I did
But I'm in love for shure .. All I want to have is you

Cause Baby I am here to guide you ..
You set my heart on fire ..

Dont want to live my life alone without you
I just feel the feeling inside me
It's so hard for me .. I'm not as strong as you think
I see you .. everywhere I go

I'm waiting for the chanse .. I hope you understand
Life has not been easy .. for someone like me

But Baby I am here to guide you ..
You set my heart on fire ..

Dont want to live my life alone without you
I just feel the feeling inside me
It's so hard for me .. I'm not as strong as you think
I see you .. everywhere I go
