

# Impossible

**Da' T.R.U.T.H.**

Trials and tribulations  
Surely come my way  
Desperate situations  
Cause my heart to say  
Lord, I know in my own power  
There is nothing I can do  
But impossible is possible with You

Is there anything too hard for You  
Is there anything You cannot do  
I don't need to worry 'bout anything  
When it's over my head, it's under Your feet  
Nothing is impossible, nothing is impossible  
Nothing is impossible with You

When you feel discouraged  
And peace is hard to find  
Oh, you can be encouraged  
The Lord is on your side  
For the Father knows the answer  
Before you know to pray  
And He's waiting even now to hear you say

Only believe, only believe  
All things all are possible  
They are possible
