

Would You Love Me?

Da' T.R.U.T.H.

If I do what you say
Would you love me love me love me love me love me
If I do it my way
Would you love me
Love me love me
Yea no yea no yea no yea no

If I do would you say
Would you love me more
Would you love me less now
If I kneel down to pray
Would you love me more,
I don't know let me guess now
If I'm living my life,
If I do it all right
Can I beat my chest now
If I give it to the poor,
Would you love me more,
Oh lord I'm so stressed out
Presumptuous prenuptial agreement love is
A key function we judging them on achievements and we
We keep shuffling ski jumping all on the questions
They keep
They keep coming like will he love us without condition or leave
Huh I need a yes or no
I Got a wrestle and my soul
Some best unknown
I Got a question that is pressing
And it's etched into my dome
Promise I won't rest until I know

If I do what you say
Would you love me love me love me love me love me
If I do it my way
Would you love me
Love me love me
Yea no yea no yea no yea no

I don't do what you say
And I go the other way
Would you still be please with me
If I had to go to war and I'm dropping to the floor
Would you roll your sleeves with me
If I fighting through life and I am fighting what's right would you come and
make peace with me
Would you Still be with me
Hold up
Oh lord do you bleed with me
Reckless love
It's precious blood on the door post
Morse code on our Moral codes when the doors closed
God loves everybody but in different ways
More so
Like I love my country but not the way I love my daughter though
See Right now
Right now
Show me how

When you died
How you let them throw you down
True love
No more Questions
No more doubt
Lost but now I'm found

If I do what you say
Would you love me love me love me love me
If I do it my way
Would you love me
Love me love me
Yea no yea no yea no yea no
