

## Sell Yourself

Daan

selling strangersto friends in need  
selling sisters  
to friends indeed  
bathe your children and  
go drown your calf  
cut your wardrobe  
exactly in half  
if time is neutral  
sell'm every side  
if love is mental  
un till denied  
sell yourself  
and all of your frictions  
sell yourself  
to my imperfection  
sell yourself  
to my addictions  
and sell yourself  
for a fiction I can pay for myself  
and I'll sell myself  
silver long shots  
waisted in space  
sinner's eavesdropped  
lay in lakes  
like a scarecrow feeding his birds  
like a homesick fetus needs birth  
I'm a salesman  
with only one one vice  
no refusing  
offer nor price  
sell yourself  
to contradictions  
sell yourself  
bless your corruption
